Business Educators Australasia Inc. Study Tour

Hong Kong & mainland China Study Tour 27th June – 8th July 2010

Developed specifically for business educators, this tour offers rich insight into China's rise to economic superpower status. Travelling through key economic zones, the tour will connect you to Australians doing business in China and leading China business experts. The tour begins in Hong Kong, financial market and doorkeeper for China during its period of economic isolation, moves to Shenzhen city, the boomtown created by Deng Xiaoping's reforms in the 1980's and then onto ultra modern Shanghai, birthplace of China's modern market socialism. The tour finishes in Beijing with a focus on the role central government plays in managing market forces and the ascent of the new China.

Land package costs from \$4900.00 (Inclusive of twin share accommodation, most meals and the group's in country transport costs. A Group Leader will accompany the Tour. Single supplement package rates are available on request.)

Tax Deductability: As a professional learning program, the BEA Study Tour may be deductible. Contact your tax advisor to confirm if you are eligible.
