*This two hour workshop provides evidence towards the Queensland College of Teachers professional development requirements – individually identified professional learning*

Program includes:

- Light lunch
- An overview of why to include Pacific Island themes in your teaching program – links to Essential Learnings, current events, engaging topics for young people
- Speaker: Working and living in the Pacific region
- Teacher led information – SOSE, History and Culture; Geography; Business and Economics
- Working through the free resource developed by Curriculum Corporation
