

National Professional Standards

for accomplished primary teaching

WORKSHEET 2

Discuss the content of the draft national professional standards for accomplished primary teaching.

The following focus questions can be used to frame the discussion.

FOCUS QUESTIONS

1. How well do the standards capture all the **essential elements** of accomplished primary teaching?
2. How well do the standards apply in the **wide range of primary teaching contexts**?
3. How well do the standards describe **accomplished** primary teaching?
4. Is the **language** clear and appropriate for the profession and the community?

COMMENT

Exemplary **PROFESSIONAL PRACTICE** which:

Comment can relate to specific elements of the standards or the whole. Where commenting on specific elements, please label eg: descriptor 2.1.1, paragraph 2.
